

North Carolina Pupil

Transportation Association

Exhibitor Course Training (For Pupil Transportation Topic Training)

Company Organization: _____

Date: _____

Our company sells the following product(s) for the pupil transportation industry:

We wish to instruct a class on the following topic(s) for NCPTA members July 19-20, 2011. A synopsis of our course offering will be:

Requested Time Slot: _____

Audio Visual Requirements: _____

Course training for conference attendees is designed to be product neutral. Instructors need to design the course(s) around a topic that teaches people. This is not a forum for infomercials. Each company understands courses are taught hourly and each session cannot extend later than two hours. Each company will be considerate of competitors when conducting course instruction. The space provided by NCPTA will seat a maximum of 50 people. No vehicle fluids or flammable products may be displayed in open containers inside the Crowne Plaza Resort.
