By signature I understand each class listed below is limited to a maximum number of students. Course space will be granted on a first come first serve basis by NCPTA. If my requested date/time slot for a class (es) isn't available NCPTA will place me in an alternative session if available. This registration and payment (if applicable as outlined below) has to be received by the North Carolina Pupil Transportation Association by June 1, 2012 before I can be counted on the course(s) roster. Course fees are printed on the NCPTA 2012 Transposium Registration Form. I also understand that to attend any course(s) requiring additional fees the basic conference registration has to be paid first. NCPTA reserves the right to modify or cancel course(s) if required by schedule changes. NCPTA will mail all registration material to each LEA by June 15, 2012.
