Requested Time Slot: \_\_\_\_\_

Audio Visual Requirements: \_\_\_\_\_

Course training for Transposium attendees is designed to be product neutral. Instructors need to design the course(s) around a topic that teaches people. This is not a forum for infomercials. Each company understands courses are taught hourly and each session cannot extend later than two hours unless approved in advance with the Transposium Coordinator. Each company will be considerate of competitors when conducting course instruction. The space provided by NCPTA will seat a maximum of 50 people. No vehicle fluids or flammable products may be displayed in open containers inside Sea Trail Golf Resort & Convention Center.
