WHEREAS, pursuant to G.S. 115C-528, an LEA may purchase or finance the purchase of school buses; and

WHEREAS, of the funds appropriated to the Board for the 2005-2006 fiscal year, the North Carolina General Assembly has authorized the Board to use up to \$10.0 million for allotments to the LEAs to pay the cost of Bus financing for the first year; and

WHEREAS, each LEA will enter into a Master Replacement Bus Financing Agreement (each, a “Financing Agreement”) with **CONTRACTOR** pursuant to which the LEAs will finance the purchase of the Buses through **CONTRACTOR**, on the terms and conditions as provided therein; and

WHEREAS, as buses are accepted, each LEA will submit an Appendix (each, an “Appendix”) to **CONTRACTOR** to facilitate the acquisition of one or more Buses; and

WHEREAS, for purposes of financing, the Buses will be considered to be accepted at the time that the Buses are accepted by DPI and the respective LEA; and

WHEREAS, the Board, for convenience and ease of administration has agreed to collect Installment Payments from the LEAs as due under the Financing Agreements and to remit the collective payments to **CONTRACTOR** ; and

WHEREAS, the Board has included and will continue to include in its request to the North Carolina Office of State Budget and Management, an appropriation request in an amount sufficient to provide for all Installment Payments due and owing for fiscal years 2006-2007 and 2007-2008 on behalf of the LEAs.

NOW, THEREFORE, the Board and CONTRACTOR agree:

1. The Board agrees to allocate to the LEAs all necessary funds appropriated by the General Assembly to the LEAs for the acquisition of the Buses acquired pursuant to the Financing Agreements. The Board agrees to direct those funds to CONTRACTOR for Installment Payments on behalf of the LEAs pursuant to the Financing Agreements.

2. The Board will collect the Installments Payments from the LEA and will cause the Installment Payments to be paid to CONTRACTOR, on the dates and in the amounts set forth "Part 2-- Payment Schedule" in the applicable Appendix to each Financing Agreement.

3. In the event that during fiscal year 2006-2007 or fiscal year 2007-2008 sufficient funds are not appropriated for the payment of the total of all Installment Payments required to be paid pursuant to the Financing Agreements, then any LEA under the North Carolina General Contract Terms and Conditions - Third Party Financing included in each respective Financing Agreement, may terminate its Financing Agreement together with each and every one of the Appendices.

4. The State Board further intends and hereby covenants that it will (i) include in its proposed budgets for fiscal years 2006-2007 and 2007-2008 an appropriation in an amount sufficient to provide for all Installment Payment due and owing for such fiscal years on behalf of the LEAs; (ii) include in such proposed budget and accompanying material submitted for each such fiscal year adequate information and recommendations regarding the purchase of the Buses, the public purposes served, and the Installment Payments required therefor; (iii) do all things lawfully within its power to request the appropriation of all funds anticipated by this Agreement; and (iv) use its best efforts to secure the timely approval and appropriation in the budget for each of the fiscal years of any and all such amounts as may become due under this Agreement.

5. If the Board shall take any official action, or if any other fact or circumstance shall occur, regarding the Board's proposed budget with respect to the total amount of the Installment Payments collected by the Board on behalf of each of the LEAs, or any amended or supplemental appropriation that may be proposed with respect to the Installment Payment that adversely affects the securing of timely approval and appropriation of funds therefor, the Board shall promptly notify CONTRACTOR thereof.

6. Pursuant to G.S. 115C-249(f), if any Bus is damaged or destroyed by fire, collision or otherwise, the LEA may apply to the Board for funds with which to replace it. If the Board finds that the Accepted Bus has been destroyed or damaged to the extent that it cannot be made suitable for further use, and if the Board finds that the replacement of the Bus is necessary in order to enable the LEA to operate properly its transportation system, the Board shall allot the LEA from the funds held by it for the replacement of school buses, or from funds hereafter appropriated by the General Assembly of the State of North Carolina for that purpose, a sum sufficient to purchase free and clear a new bus to be used as a replacement for the damaged or destroyed Bus and upon such allocation, such sum shall be paid over to or for the account of the LEA for such purpose. The replacement Bus will be substituted as a security interest for the financing of the damaged or destroyed Bus.

7. The State recognizes that CONTRACTOR may assign its right to receive payment under this contract with written permission of the State. In no event does the recognition of assignment of CONTRACTOR's right to receive payments obligate the State to anyone except CONTRACTOR. The State merely recognizes financial assignment as a convenience to CONTRACTOR and will hold CONTRACTOR responsible for fulfillment of all contract obligations.

8. The Board agrees that it will obtain an approving opinion of the Office of the Attorney General of the State of North Carolina addressing, among other factors, the Board's authority to enter into this Agreement and the binding nature of this Agreement. The opinion will also address the validity of

the form of the Financing Agreement to be executed by each participating LEA, the LEA's authority to enter into the Financing Agreement and the binding nature of the Financing Agreement. A form of the opinion is attached hereto as Exhibit "A".

9. The DPI agrees to coordinate the inspection and acceptance of the Buses by the respective LEAs at the vendor's facilities in the state of North Carolina. To the extent possible, Buses will be inspected by the DPI and accepted by one or more LEAs in lots of at least fifty (50). The DPI agrees to perform a visual inspection of each Bus to determine whether the Bus is acceptable to be included in the State's fleet. Each LEA will inspect the Buses ordered by it. Upon satisfactory inspection of one or more Buses by the LEA, and approval by the DPI, the respective LEA and the DPI may complete and execute the Form of Acceptance Certificate attached to this Agreement as Exhibit "B". An identical form of the Acceptance Certificate is attached to the Disbursement Request, which is Part 3 of each Financing Agreement. Execution of the Acceptance Certificate constitutes acceptance of the buses for any Master Replacement Bus Financing Agreement. The DPI agrees to transmit any Acceptance Certificate by facsimile transfer to CONTRACTOR within 72 hours of execution of such Acceptance Certificate. CONTRACTOR agrees to transmit by facsimile transfer any Payment Schedule within 72 hours of receipt of such Acceptance Certificate.

10. This Agreement may be executed in one or more counterparts, any of which shall be regarded for all purposes as an original and all of which constitute one and the same instrument. The Board agrees that it will execute any and all documents or other instruments and take such other actions as may be necessary to give effect to the terms of this Agreement.

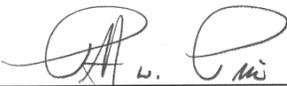

11. No waiver by the Board of any term or condition of this Agreement shall be deemed or construed as a waiver of any other terms or conditions, nor shall a waiver of any breach be deemed to constitute a waiver of any subsequent breach, whether of the same or of a different section, subsection, paragraph, clause, phrase or other provision of this Agreement.

12. CONTRACTOR, not being a "seller" of the Accepted Buses, as such term is used in the Uniform Commercial Code nor a seller's agent, hereby expressly disclaim, and make no warranty or representation, either express or implied, as to the value, design, condition, merchantability or fitness for particular purpose or fitness for use of the Accepted Buses, or any other warranty with respect thereto and, as to CONTRACTOR, the Accepted Buses will be purchased AS IS. In no event shall CONTRACTOR be liable for any loss or damage, including incidental, indirect, special or consequential damage, in connection with or arising out of the existence, furnishing, functioning, or the use of the Accepted Buses by the LEAs.

13. This Agreement may only be revised with the prior written consent of the Board and CONTRACTOR, as the third-party financier under each of Financing Agreements.

Re: Master Facilitator Agreement dated as of _____, by and between the North Carolina State Board of Education, and _____, hereinafter referred to as "CONTRACTOR"; and form of Master Replacement Bus Financing Agreement, to be by and between CONTRACTOR, as the third-party financier, and various Local Boards of Education of the State of North Carolina, and various Appendices to be entered into from time to time

Ladies and Gentlemen:

As counsel to the North Carolina State Department of Administration and the North Carolina State Board of Education (each, the "Board"), we have reviewed the execution and delivery of the Master Facilitator Agreement (the "Agreement") between the Board and CONTRACTOR.

The Board has entered into the Agreement to facilitate fulfillment of its constitutional obligation to administer the North Carolina public school system. More specifically, the Board has entered into the Agreement pursuant to the Board's authority to control the conditions under which local boards of education (each, an "LEA") purchase replacement school buses under financing contracts authorized under N.C.G.S. § 115C-528 and the Act of August 13, 2005, 2005 N.C. Sess. Laws c. 276, s. 7.17 ("An Act To Make Base Budget Appropriations Operations Of State Departments, Agencies, And For Other Purposes.") and to facilitate fulfillment of the Board's obligations under N.C.G.S. §§ 115C-12(17) and 240 to operate a public school transportation system and its obligation under N.C.G.S. §§ 115C-249 to allocate funds to LEAs for the purchase of replacement school buses. Unless otherwise defined herein, all terms having a defined meaning in the Agreement shall have the same meaning when used herein. We have reviewed the Agreement and are of the opinion that:

1. The Board has the full power and authority to enter into and deliver, and to perform all obligations of the Board under the Agreement.
2. The execution, delivery and performance by the Board of the Agreement have been duly authorized by all necessary action on the part of the Board.
3. The Agreement constitutes a legal, valid, and binding obligation of the Board, enforceable in accordance with its terms.
4. The entering into and performance of the Agreement will not violate any judgment, order, law or regulation applicable to the Board or result in any breach of, or constitute a default under, or result in the creation of any lien, charge, security interest or other encumbrance upon the Buses pursuant to any indenture, mortgage, deed of trust, bank loan, credit agreement, or other instrument by which the Board is a party or by which it or its assets may be bound.
5. There are no actions, suits or proceedings pending or, to my knowledge, threatened against or affecting the Board in any court or before any governmental commission, board or authority,

which, if adversely determined, will have a material, adverse effect on the ability of the Board to perform its obligations under the Agreement.

6. No governmental orders, permissions, consents, approvals or authorizations are required to be obtained and no registrations or declarations are required to be filed in connection with the execution and delivery of the Agreement or the acquisition of the Buses.

7. The Board has observed and complied with all public bidding procedures regarding the award of the transaction contemplated in the Agreement.

8. The Agreement is in accordance with and does not violate the usury statutes of the State of North Carolina.

In addition, we have reviewed the form of the Master Replacement Bus Financing Agreement (the "Financing Agreement"), to be by and between CONTRACTOR, as the third-party financier, and various LEAs and are of the opinion that:

1. Each LEA is a political subdivision of the State of North Carolina, duly organized and existing under the laws and constitution of the State.

2. Pursuant to 2005 N.C. Sess. Laws c. 276, s. 7.17 and N.C.G.S. § 115C-528, each LEA has the full power and authority to enter into and deliver, and to perform all its obligations under the Financing Agreement.

3. Upon execution by the Financing Agreement by the respective LEA, the Financing Agreement will constitute a legal, valid, and binding obligation of the respective LEA, enforceable in accordance with its respective terms, and upon acceptance of the Buses by the individual LEAs, will create a valid and enforceable lien on the Buses for the benefit of CONTRACTOR.

4. Once executed by an LEA and CONTRACTOR, the Financing Agreement will constitute a legal, valid, and binding obligation, enforceable in accordance with its respective terms.

5. Once an LEA has accepted a bus or buses subject to the Financing Agreement, such acceptance will create a valid and enforceable lien on the bus or buses for the benefit of CONTRACTOR.

We understand that the opinions expressed herein may be relied upon by CONTRACTOR, and its special tax counsel.
